Our company, XS BULGARIA PROPERTY COMPANY Ltd, has been working together with Correct Project OOD at the construction of our office building XS Tower, located at Residential Park Sofia during the last few years. The role of Correct Project OOD is that of project management site supervision and cost control.

Correct Project OOD has a team of highly qualified and competent professionals which is an important condition for the proper and timely project development.

We believe that the level of service offered by the company is very professional and the team has been working with us in a highly loyal and ethical manner.

We are at your disposal if further reference or clarification is needed.
